### Guide to successful labelling

#### >> Lifecycle

Moisture from chilled or frozen products could affect the adhesive bond of your label. At Xact we will identify a suitable label for your product that will withstand all the elements surrounding it.

#### >> Delivery

With Xact you get quality labels, in full, on time. In the dairy industry 40% of our labels are delivered within 24 hours. We are fully aware of our customers needs and the urgency for quality labels on time.

#### >> Performance

We match the label to the characteristics of your packaging material to ensure that ultimate performance is achieved.

#### >> Flexibility

Labels that flow with the shape of your container.

#### >> Economic

Dramatic cost reductions can be achieved with slight size adjustments. At Xact we find the most efficient label for you without being over-spec'd.

#### >> Eco-friendliness

Does your company portray an eco-friendly image, or want to? Xact offers labels that can be recycled or are biodegradable.
